**DETAILED ACTION**

***Amendment***

1. Receipt is acknowledged of the amendment filed 14 November 2005.

***Terminal Disclaimer***

2. The terminal disclaimer filed on 14 November 2005 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date has been reviewed and is accepted. The terminal disclaimer has been recorded.

***Examiner's Amendment***

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

Claims 26-33, drawn to a non-elected invention, have been cancelled.

***Allowable Subject Matter***

4. Claims 1-25 and 34-41 are allowed.
5. The following is an examiner's statement of reasons for allowance:

The proper terminal disclaimer has overcome the double patenting rejection and hence the claims are allowable.

In addition, the best prior art of record of Royer, Behm, Katz, and Koza (as enumerated in non-final office action mailed 23 August 2005) fail to specifically teach the limitations of the claims as recited and the examiner can find no teaching of the specific lottery ticket system, nor reasons within the cited prior art or on her own to combine the elements of these references other than the applicant's own reasoning to fully encompass the current pending claims. In addition, see applicant's reasoning in amendment/response filed 14 November 2005.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
